One bedroom hall floor flat | Leasehold

Please don't think the lack of internal photos means this spacious one-bedroom hall floor flat is in a state: it clearly isn't! It's just that it is currently tenanted and we have voluntarily agreed to not broadcast the tenants' belongings all over the net. The flat, which is supremely located close to Gloucester and Cheltenham Roads, and which appears to come with an off-street parking space (please see our disclaimer in the details below) is being sold as part of a deceased estate, and will appeal equally to first-time buyers and buy-to-let investors alike (the current tenants are keen to stay, ensuring an income from Day One).

Tenure: Leasehold (954 years)

PHOTOS:

This flat is currently tenanted, so we have agreed to not use internal photographs in order to maintain the occupants' privacy. For this same reason we will not allow viewers to take photos or videos when they view, and we will appreciate your respect of this rule. Thank you.
